Good evening Ms. Lee I hope this email finds you well. As one of the NCSU MSA interns, I trust you are aware of the salary differential courtesy JCPS has granted us during the year of our internship. As I reviewed my posted paycheck in timekeeper for November, I noticed that I did not see the change in step or back pay due to the change in legislation to grant the salary step increase. Is there going to be acknowledgement of that on our differentials as well? I know there are also questions regarding our supplement posts as well so I would appreciate your attention on both matters as those earnings are crucial to many of our family incomes.

Thank you so much for your anticipated response and support on this concern and I look forward to hearing from you soon. Have a great evening.
