Good afternoon Ms. Rotondaro. I just left you a voice message regarding this concern of 2 students possibly returning to campus following a 10-day suspension with recommendation for long-term placement. We have made contact with these students instructing them of the fact they are not to return to campus tomorrow even though their 10 days are complete. Please let us know what action steps are needed from our administrative team moving forward. Thank you so much for your help.
